MEMORANDUM FOR: Mr. Peter Spinning, Recreation Facility Manager, FMWR

SUBJECT: 2021 West Point Trout Stocking

1. The planned distribution of trout stocking for the 2021 trout-fishing season is listed below.
2. Private stocking numbers are slightly decreased from years past in favor of stocking larger but fewer overall fish. Meanwhile state stocking numbers are significantly increased from 2020. In 2020, there was a zebra mussel outbreak in the state hatchery system which affected stocking statewide.
3. The state stocking of Brook and Brown Trout will occur April 9th. Expect the private hatchery to deliver Brook, Brown, and Rainbow on March 29th and April 16th. As a result of the coronavirus, the West Point Natural Resource Branch is not seeking volunteers to help with stocking in 2021.
4. Please post this information at the Round Pond Bait Shop. This information will also be posted on the West Point iSportsman website.
5. In addition to trout stocking, catfish will be stocked in Mine Lake and Lake Frederick and fathead minnows will be stocked in Lake Frederick and Round Pond this spring. In September 2021, West Point will continue annual fall stocking of 300 hybrid tiger muskellunge in Popolopen Lake.
6. Questions should be directed to Christopher Killough, reachable at (845) 938-2314 by phone or Christopher.w.killough3.civ@mail.mil by email.
