

## REQUEST FOR INFORMATION ON BOBCAT & FISHER SIGHTINGS

The West Point Natural Resource Section is working with the Black Rock Forest Consortium and seeking reports of bobcat or fisher sightings from hunters, military, or civilian personnel. If you've seen a bobcat or fisher in person, on camera, or as roadkill—at West Point or nearby—please help us out and reach out to the contacts below:

### HOW CAN YOU HELP?

#### IF SEEN ANYWHERE ON THE WEST POINT MILITARY RESERVATION:

If you see a bobcat or fisher **at West Point**: Please send an email **“Bobcat/Fisher Sighting (with date)”** to: [christopher.w.killough3.civ@army.mil](mailto:christopher.w.killough3.civ@army.mil), [slapoint@blackrockforest.org](mailto:slapoint@blackrockforest.org) (Black Rock Forest Wildlife Biologist) with information on:

1. Date and time of sighting
2. Location of sighting (Road/Range Road/Training Area/Etc. (Lat/Long is useful)
3. What the animal was doing

The more specific you can be about date, time, animal condition or activity the better and if you have photos/video, please include them if you'd like.

Or call Christopher Killough, West Point Wildlife Biologist at 520-718-0012

#### IF SEEN OFF THE WEST POINT MILITARY RESERVATION

If you see a bobcat or fisher anywhere in the towns of Cornwall, Highland or Woodbury but outside of the West Point Military Reservation: send the same email titled “Bobcat/Fisher Sighting (with date)” strictly to : [slapoint@blackrockforest.org](mailto:slapoint@blackrockforest.org)

Or call Scott LaPoint, Black Rock Forest Wildlife Biologist at 845-534-4517.
